_____
Applicant Signature

1. Describe your hobbies and vocation.

I do dancing before and participated on outreach programs

2. Give a candid evaluation of yourself, choosing the most characteristics which you feel your strengths and weaknesses.

Being a problem solver and keen to details is one of essential traits being a developer. For my weakness is having a hard time to say no and overcommitting. But working on it duing time management and prioritizations.

3. What do you consider as your important achievement so far, and explain why you view it as such.
Getting promoted to a trainee to Junior Developer. Getting recognizes on Projects Performance

4. In what why can PREMIER be valuable to you. Explain.
I believe Premier can help me a lot to grow professionally. As it was a credible IT company solutions that provide good services to clients.

5. How can you contribute to the continuous growth of the company.
I plan to grow and step up to seniority here. To take leadership and help juniors like me before when the time comes. So I can bring back the value that Premier that has given me.
